

H & J Exim

Private Limited

Company profile.

H & J Exim

MADE WITH ❤️ IN INDIA

H & J Exim at a glance.

A vertically integrated home textile manufacturer and exporter.

Since 2001

25+ years manufacturing home textiles for global brands.

Gurugram, India

Manufacturing and export base in Udyog Vihar, near Delhi airport.

Yarn to carton

Weaving, knitting, cutting, sewing, finishing and packing in house.

Certified

OEKO-TEX Standard 100 and GOTS certified. SMETA (SEDEX) audited.

MOQ from 50 pieces

50 knitted and 100 woven, per quality and colourway, split across sizes.

Export markets

USA, Canada, UK, Europe, UAE, Saudi Arabia, Australia and New Zealand.

WHO WE ARE

Built for long-term partnerships.

A home furnishings manufacturer and exporter in Gurugram, India, manufacturing since 2001.

WHAT WE MAKE

Bed linen, table linen, curtains, kitchen linen, home décor and accessories.

WHAT WE SPECIALISE IN

Linen, linen-cotton, Tencel and Tencel-linen, premium cottons and jacquards.

HOW WE WORK

One team is accountable from yarn to carton, and every detail can be customised.

WHO WE WORK WITH

Brands that value craftsmanship, consistency and long-term partnerships.

From the yarn up, in one facility.

We select the yarn, weave and knit our own cloth, then cut, sew, finish and pack.

01

Yarn

Counts, compositions and blends selected to your spec across linen, cotton and Tencel.

02

Weaving

Weave, GSM and width on our own looms, in widths to 136 inches.

03

Knitting

Cable, jacquard, intarsia and textured stitches on our own machines.

04

Dyeing and printing

Matched to Pantone TCX or a physical reference, with AZO-free dyes.

05

Cutting and sewing

Sizes, constructions and finishing details tailored on our own floor.

06

Finishing and packing

Final inspection, labels and retail-ready packaging to your standards.

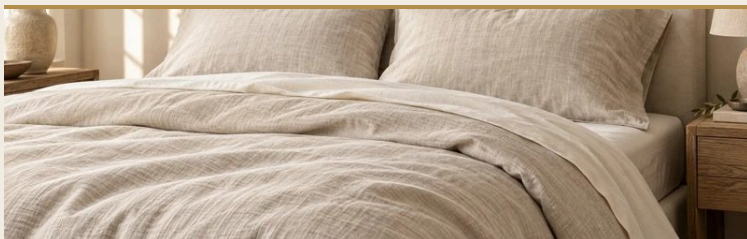

Direct from the maker, not through layers.

The advantages of buying from the facility that makes your product.

	THROUGH A TRADING HOUSE	DIRECT WITH H & J EXIM
Price	Includes trading house and agent margins	Factory-direct pricing, no middle layers
Communication	Questions travel through intermediaries	You talk to the team making your product
Accountability	Split between agent and factories	One team, one point of contact
Customisation	Hard to change once an order is placed	Adjustable at any stage, yarn to packaging
Visibility	Limited view of who makes your goods	Full visibility, audits welcome

Faster sampling, because nothing waits on third parties. Sharper pricing, because you buy from the maker.

A complete home textile programme.

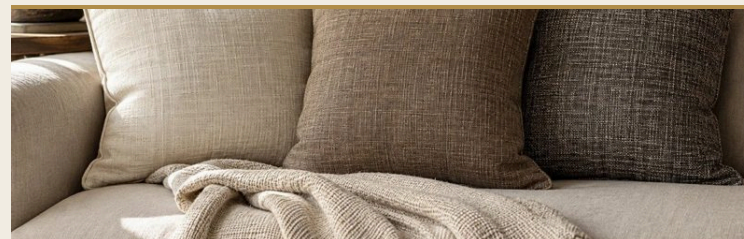

Bed linen

Sheets, duvet covers, coverlets, quilts, comforters

Table linen

Tablecloths, runners, napkins, placemats

Home décor

Cushions, woven and knitted throws

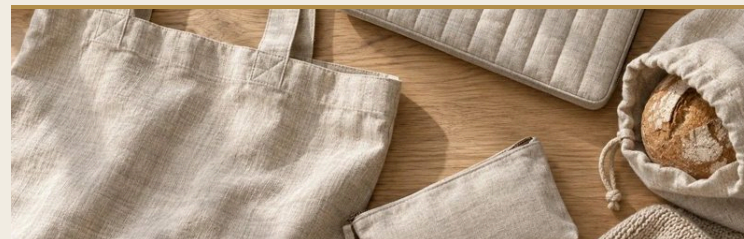

Curtains and drapes

Sheer and lined curtains, drapes, valances

Kitchen linen

Tea towels, aprons, oven mitts, pot holders

Accessories

Totes, pouches, sleeves and gift pieces

Also made to order: baby and nursery, weighted blankets, bed skirts and bed runners.

WOVEN PROGRAMME

Woven on our own looms.

Yarn count, GSM and width set by your requirement, in widths to 136 inches.

QUALITIES

100% linen, linen-cotton at 50/50 to 70/30, combed and carded cotton, chenille, velvet, Tencel and Tencel-linen.

CONSTRUCTIONS

Plain, honeycomb, waffle, dobby, twill, herringbone, jacquard, matelassé, muslin in three and four layers.

TO YOUR SPECIFICATION

Lightweight sheeting through to heavy jacquard. Weight, hand and finish locked at counter sample.

COLOUR AND FINISH

Yarn or piece dyed. Stone wash, softener wash, garment dye and pre-shrink.

KNITTED PROGRAMME

Knitted on our own machines.

Developed to your specification, not picked from a range.

CONSTRUCTIONS

Cable, fair isle and jacquard, graphic, stripes and ombré, moss and textured, colourblock and intarsia, solid and reversible.

END PRODUCTS

Throws at 50 × 60 and 60 × 80 inches as standard, cushions, coverlets, scarves and accessories.

QUILTED KNITS

Tubular knitted cotton with filled tubes, and knitted and hand-woven interlaced constructions.

TESTING

Shrinkage and dimensional stability, spirality, pilling and abrasion, bursting strength.

Techniques, by hand and machine.

Hand skills and modern machinery, consistent across small and large runs.

Computerised quilting

Geometric through to vermicelli, with weight, loft and density set per programme.

Embroidery

Hand and machine embroidery, from delicate accents to statement patterns.

Printing

Placement, screen, hand block, rotary and foil printing.

Decorative finishes

Pleating, fagotting, hemstitch, mitred corners, tassels and pom-poms.

Washing

Stone wash and softener wash for the lived-in drape linen is loved for.

Sampling and development

Tech packs, references or ideas turned into production-ready samples.

COLOUR AND FINISH

How a shade is locked.

Every collection can follow a buyer-approved colour reference.

MATCHING

Shades matched to your Pantone TCX or a physical swatch you supply.

APPROVAL

Lab dips and strike-offs issued for your sign-off before bulk.

STANDARD

The approved dip becomes the standard bulk is judged against.

DYES

Yarn dyed or piece dyed to suit the construction. AZO-free throughout.

Inspected at every stage, ours to own.

Checked by our own team at every stage of production.

01

Incoming QC

Inspection of raw fabric and materials.

02

Cutting and sewing

Precision automated cutting and skilled stitching.

03

Value addition

Embroidery, quilting and specialised handwork.

04

In-line inspection

Continuous monitoring during the production flow.

05

Finishing

Washing, ironing and premium packing.

06

Final inspection

Pre-shipment audit before the carton is sealed.

Open to audit by you or your nominated third party, at any stage of production.

MOQ, sampling and lead times.
